Full Data Integrity Compliance:

- ✓ 21 CFR Part 11
- ✓ EU GMP Annex 11
- ✓ ALCOA +

ALCOA is an acronym for the original five principles of data integrity. These principles are:

- A** ATTRIBUTABLE
- L** LEGIBLE
- C** CONTEMPORANEOUS
- O** ORIGINAL
- A** ACCURATE

However, the original **ALCOA** principles have since been updated to **ALCOA+**. The new one contains four additional principles:

- C** COMPLETE
- S** CONSISTENT
- E** ENDURING
- A** AVAILABLE

WITHOUT  Risk data integrity compliance
