

HybridRack & MultiRack

Sorenson HybridRack

- 70% less plastic than traditional tip rack
- Paperboard recyclable using local recycling programs
- Made in the US in EnergyStar, ISO14001, ISO13485 facility
- Combination of PP deck and strong paperboard base allows for stable pipetting even with Multi-channel pipettors
- Plain white without label or branding for effective recycling and keeping the price low

- 10 μ l and 200 μ l tips share the same base and lid
- 10 μ l: red deck
- 200 μ l: yellow deck
- 300 μ l: green deck
- Slightly taller than the 10 μ l and 200 μ l size
- 1000 μ l: blue deck
- Design is slightly different from the other sizes: the deck rests on an insert inside the HybridRack

Refills: same as MultiRack

Sorenson MultiRack

- Universal fit on research grade pipettors
- Extended length tips to reach bottom of tubes
- Standard tips without filter in rack or reloads
- Filter tips in sterile rack
- All filter tips are low-binding
- Empty rack can be re-used with refills

HybridRack-MultiRack Item-codes

HybridRack	
Itemcode	Sterile, Low Binding Filter Tips in HybridRack
MT-087240T	10µl Extended Length
MT-087250T	20µl
MT-087260T	100µl
MT-087270T	200µl
MT-087280T	300µl Extended Length
MT-087290T	1000µl Extended Length
Sterile, Racked Tips in HybridRack	
MT-072120	10µl Extended Length
MT-072130	200µl
MT-072140	300µl
MT-072150	300µl Extended Length
MT-072160	1000µl Extended Length

Reloads	for both, Multi- and HybridRack
MT-170500	10µl Long Reach
MT-170510	200µl
MT-170520	200µl, yellow
MT-170530	300µl
MT-170540	1000µl Extended Length
MT-170600	10µl LongReach, Low Binding
MT-170610	200µl Natural, Low Binding
MT-170620	300µl Low Binding

MultiRack	
Itemcode	Sterile, Low Binding Filter Tips in MultiRack
MT-77250T	10µl Sharp
MT-77260T	20µl
MT-77270T	100µl
